

(School Letterhead)

Authorization for the use of photos and videos

To be completed by a parent or carer of legal age with parental responsibility for the named child (under 18 years)

I, (name)

(address)

Authorize

the publication of any photos or videos that include my child, completed for the European Union 'PopuLLar' project 'Motivating secondary school students to learn languages with relevant media' 518346-LLP-1-2011-UK-COMENIUS-CMP".

The activities of the project are designed to motivate and engage students in their language learning through involvement in authentic use of language, within music. The photos and videos produced by students in the project will be used as educational and collaborative materials for the project were they will be shared with similar age students in schools across Europe through online publications for dissemination of the project.

No identification of individual students will be permitted in the photos or videos, by name, or any other pseudonym.

They will also be stored in the European Union Commission database.
